Eligibility Criteria for Membership:

LIFE MEMBERS

The life members from now onwards shall comprise of pediatric cardiologists (with DM, DNB or FNB or equivalent degrees in pediatric cardiology), cardiologists with interest in pediatric cardiology (with DM, DNB or similar degrees in cardiology), cardiothoracic surgeons (with Mch, DNB or similar degrees in cardiovascular surgery) and cardiac anesthetist/intensivists with interest in pediatric cardiology (with MD, DM, DNB or similar degrees in anesthesia, pediatric or cardiac anesthesia) who pay the membership fees (as detailed). The proposed members should be caring for children with heart disease and in selected cases the society may ask the organization for a certificate to that effect.

Postgraduate students in Pediatric cardiology, Cardiology, Cardiac Surgery and cardiac anesthesia will also be eligible to apply for associate membership. The status of life membership will be confirmed once the degree is conferred to them, till such time they will be considered as temporary members with no voting rights.

ASSOCIATE MEMBERS

The associate members shall comprise of pediatricians (with MD, DNB or equivalent degrees in pediatrics), physicians with interest in pediatric cardiology (with MD, DNB or similar degrees in medicine) or other medical/surgical specialists interested in pediatric cardiac care who pay the associate membership fees (as detailed). The associate members do not have the right to vote in the general elections to elect other governing council members.

NONPHYSICIAN MEMBERS

All nonphysicians involved in pediatric cardiac surgery or pediatric cardiology care (for at least 2 years) including echocardiographers, cath lab technicians, staff nurses, physician assistants, perfusionists and CTVS OT technicians will be eligible to become nonphysician members of the society. The nonphysician members will not have the right to vote in the general elections or to elect other governing council members.
