Dear Colleagues and Friends

It gives us great pleasure in inviting you to the 24th Annual Conference of Paediatric Cardiac Society of India, which will take place in Kochi between 14th and 17th of November, 2024.

The theme of the conference is “ Transforming Paediatric Cardiac Care: Global Challenges, Indian Perspectives “

The conference is a three and half day event with a full day for pre-conference workshops in various fields. The conference entails a multi-sectorial approach and in depth analysis of Paediatric Cardiac Care by leading experts from India and the world. There will be exciting discussions, pro and con debates of new age technologies and brainstorming latest scientific ideas on Paediatric Cardiac Care in India and across the globe, with special relevance to developing countries. This aims to provide an immense learning opportunity for improving patient care and better outcomes.

The conference encourages co-operation between the various specialties covering paediatric cardiac care including Paediatric Cardiology, Paediatric Cardiac Surgery, Anaesthesiology and Critical care, Perfusionists, Residents in training and Nurses. There will be substantial exchange of ideas among the various gurus of the science of taking care of children with heart disease. This conference will focus on laying threadbare important aspects of administering care to sick babies and children with congenital heart disease. The structure of the meeting will include in-depth plenary sessions involving masters in the various fields and breakout sessions for each specialty. The pre-conference workshop will include live-in-a-box cases, 3 D printed models, and hands on training in the various fields. There will also be dedicated perfusion and nursing streams running in parallel.

Kochi, alternately known as Queen of the Arabian Sea, has been the meeting point of several cultures throughout the centuries. It boasts of diverse lifestyles, assimilating the rich heritages of cultures from across the globe.

We invite you to have a glorious experience of the various delights that Kochi can offer, while partaking the rich feast of academia.
